Ref: Confirmation of Partner Tier

To Whom This May Concern,

MBCOM Technologies have established an exclusive regional partnership with Broadcom to manage the VMware by Broadcom business across Africa, CIS, Eastern Europe (except Poland, Czech and Slovakia), plus Levant and Middle East (except Bahrain, Kuwait, Oman, Qatar, Saudi Arabia and UAE).

Channel Partners are the key lever for delivery and growth, and MBCOM Technologies primary route to market.

At MBCOM Technologies, we live a culture of partner centricity. The MBCOM Technologies Partner Program offers partnership tiers which are based on the value the partner delivers to our mutual customers.

We hereby confirm that **Business Connexion (Pty) Ltd (Partner ID number C_483194)** is an authorized reseller of MBCOM Technologies, a VMware by Broadcom representative in **South Africa** with a Premier tier in MBCOM Technologies Partner Program.

Valid until 31/10/2026
